Introduction

Who we are

Taranaki Weddings is a locally owned and operated online portal for all things “wedding” in the Taranaki Region, showcasing everything that a bride and groom could wish for on their wedding day and beyond.

We’ve been established and running in the Taranaki Region for more than 11 years offering local businesses and services the best opportunities to promote their services and build their businesses.

What makes us different from every other online Wedding/Business directory? Taranaki Weddings is dedicated to and works exclusively for businesses within the Taranaki region. We are proud to showcase the incredible range of vendors and services available right here in this region and we love to work with businesses who are as passionate about weddings as we are. You will only find services located and operating in the Taranaki District on the pages of our directory.

Our website makes it incredibly easy for couples, both here in Taranaki and from outside the region, to plan their Taranaki Wedding. Not only do we showcase a large percentage of the service providers in the region, but our comprehensive site has so many other great functions, making planning a wedding a breeze, and growing your business even easier!

But Taranaki Weddings is so much more than just an online Directory – we’re an all-encompassing Wedding Industry Community! We host a variety of events that are not only tailored to enable you to grow and showcase your business and services, both to fellow industry providers and directly to members of the public who are looking for your services, but that celebrate the Industry and your successes. Taranaki Weddings provides multiple platforms and opportunities for you, as a vendor, to promote and grow your business.

What we do for you

Our online portal – www.taranakiweddings.com - features an easy to use Directory that ONLY features businesses and services located in the Taranaki Region. There are multiple features on this portal that make it simple for couples to plan their wedding. Our shortlist functionality makes it easy to contact their favourites with just one email and our downloadable wedding planner and blog helps them every step of the way.

The Hot Deals Section of our website – available only to our listed vendors and promoted via our Social Media Sites – gives you a place to list your seasonal special offers and have them shared with our followers.

Our blog – “The Bride Guide” promotes the businesses in our community, covers wedding trends, planning tips and tricks and real wedding stories—showcasing actual weddings that your business may have been involved in — everything that a bride and groom might need to know when they are planning their day.

Our social media platforms are very active and are widely followed. As part of our community—our platforms are available to you to promote your special offers, seasonal deals as well as your presence at our events. We run focused advertising campaigns on social media and google driving people to our website so that they can find you – and we run these 365 days of the year so that you don't have to.

Our industry events, networking events, and shows are designed so that you have the opportunity to showcase your business directly to both brides and grooms and to other businesses in the Taranaki Wedding Industry.

Industry Awards - we are very excited to have brought the first Wedding Industry Specific awards to Taranaki. Via customer nominations and public voting, the best in the industry receive the recognition they deserve at our annual awards night.

Testimonials

We adore working with local Wedding Vendors and are incredibly proud of the community we've built, but you don't need to take our word for it.

Check out these testimonials from some of our amazing clients - past and present.

"Taranaki Weddings has been an integral part of my businesses advertising since it started. If you are in the business of weddings then you want to be involved with "Taranaki Weddings"!!! To be honest it has become more than just an advertising platform, it's a group of vendors that work together time and time again to create that perfect event, it's also a sounding board when you need some advice. If it wasn't for "Taranaki Weddings" I wouldn't have been named Taranaki's Favourite Wedding Cake Maker 5 years in a row."

Annette - A Love of Cakes - By Annette

"Taranaki Weddings has been a valuable and enjoyable tool in my business journey. As a newly registered Celebrant in 2016 I benefited from meeting and building connections with the many local vendors, directory advertising and being a part of a professional community. This membership was an all encompassing starter kit, perfect for any new wedding business.

Now 5 years later, as an established, highly experienced marriage celebrant I continue to enjoy the benefits of my Taranaki Weddings membership. The bi monthly mingles are a fun and fabulous to touch base with other like minded. I also continue to find tremendous value in the Taranaki Weddings Show, an annual event subsidised by my membership. I appreciate that the local asset of Taranaki Weddings is available to both new and established vendors to hold space for a likeminded professional community. Where we can show each other support, network, advertise and celebrate all things weddings. "

"I am new to the Taranaki Weddings family and I have to say it was the best decision I was pushed politely to make. It has taken my business and my passion of weddings at Ivy Lane Florist to the next level in such a very short time. I was lucky to book weddings at the Wedding Show and I have also had a great week of bookings too for next season Louise is an AMAZING motivating and positive role for vendors. I am so proud to be a part of this local wedding vendor family and I look forward to being apart of many bride and grooms special days and many more expos."

Events

Our Public Event - "The Taranaki Weddings Show" like our Directory, features Vendors from the Taranaki region only. This affordable event offers the perfect opportunity to meet and connect with couples looking for your business, products and services. Each of our events are marketed locally and throughout the Central North Island via a variety of advertising outlets to ensure we capture the attention of as many members of the public as possible and pre-sale tickets for all our events for the past 8 years have been a sell-out. These events are tailored with your needs in mind. We keep costs low for you, wherever possible, to maximise your potential exposure without you having to overspend. Inclusion is free for our Tier 3 vendors and exceptionally low cost for Tier 1 and 2 vendors.

Bi-Monthly Networking Events provide an opportunity for businesses to meet and network with other industry professionals in a relaxed and open environment. In an industry where there is little to no repeat business - having a reliable referral network is a fundamental tool to enable your businesses growth and sustainability - we facilitate this by enabling you to create and maintaining valuable connections with other local vendors at our bi-monthly events. All of our listed vendors are given the opportunity to host these events and attendance is FREE for all vendors listed with Taranaki Weddings.

Taranaki Weddings Awards Gala is an opportunity for industry professionals to celebrate their successes and enjoy each others company. As well as being an opportunity to celebrate - this evening also presents an opportunity to connect and network in an informal environment. The first of their kind in the region—the Industry Awards recognises and celebrates creativity, dedication, passion and commitment.

In keeping with our commitment to the local Industry that supports our business – we strive, wherever possible, to use the services of the businesses in our Directory for all our events.
